**SEASONABLE DULNESS.**  
Holidays/Spirit Manifest on 'Change-Marked Strength in Spots.

New York, Dec. 24.—Today's was a holiday stock market in the seasonable dullness which restricted the activities almost wholly to the closing up of contracts. The holiday spirit was manifest also in the cheerful and hopeful sentiment prevailing, although it is to be said that it is not a usual characteristic of speculative markets to postpone action on such sentiments. The constraint on activity is partly due to the desire to await the year-end money settlements and a dread that hurried in the call loan market may occur in the last week of the year. Borrowing on call today carried over until Monday and the evidence of over-supply of funds as the day progressed helped to allay apprehension on this point and conducted to the stiffening of prices of stocks. Discounts eased also in foreign markets, indicating the prospect of money relaxation after the turn of the year. Another sharp rise in foreign exchange rates pointed to the speculative nature of some of the recent strength in that market and the over-supply of exchange bills left on hand as a consequence. Individual stocks here and there continued to show marked strength, but the subsequent course of stocks which have had such movements recently does not inspire confidence in the example. Reading second preferred collapsed violently today, running off 11 1/2 points from the top price touched in the volatile rise of yesterday. The similar course of the Atlantic Coast Line collateral bonds lately is too fresh in the recollection of stock operators not to serve as an object lesson. The most conspicuous movement today was in the Rock Island group, both in the stocks and in the collateral bonds secured by the old Rock Island stock. Belief in identical control of this company, Lehigh Valley and Wabash still figured as the chief influence in the movement. An advance in the price of copper metal in London gave an upward impetus to stocks of the copper industrial. The large shifting of loans that has been going on during the week was indicated by the actual decrease of \$11,902,800 in that item of the clearing house banks as against an increase in the averages of non-clearing house financial institutions of \$12,034,100. The actual statement failed to show the expected gain in cash and reported a small decrease. Coupled with the loan contraction, this caused the decline in deposits to outrun that in loans, thus broadening again the excess of loans over deposits, which has been in course of correction for several weeks past. The bank statement did not appear until after the stock market closed and was not appraised in the dealings there in the day was due to some advance knowledge that the showing would be

# GOOD CHANCE FOR NEW RECORD

Weather and Road Seem Promising for Hilton's Run from New London to Norwich this Afternoon—To Beat Two Hours—Wrestling, Basketball and Duck-pins in the Sports of the Day.

Good weather conditions, which are promised for today, offer an excellent chance for Clifford Hilton to accomplish his feat of beating the running record from New London to Norwich, which he is to attempt this afternoon. Hilton has been down over the road, walking some of it and going the rest by trolley, and says that there are some bad spots where he will have to look out for twisted ankles, but he feels in fine condition and confident of accomplishing his self imposed task of making the miles in 2 hours and 45 minutes.

What He Is Out to Beat.  
Previous marks recorded for the city-to-city distance, which he expects to put into the background are A. H. Chapman's amateur record of 2 hours 15 minutes 57 seconds, made in 1897; "Chilly" Hazlehurst's time of 2 hours 1 minute, Fred Kasch's 2 hours 14 minutes, a mark of 2 hours made by a man named Walsh in 1887, and Sergeant Walsh's time of 2 hours, this year.

From Y. M. C. A. to Y. M. C. A.  
Hilton will start at 2:15 p. m. from the New London Y. M. C. A., paced by an automobile, and finish at the Norwich Y. M. C. A., coming into this city along Main street and up Broadway, probably about 4 o'clock, if he lives up to his running schedule. He will run in regulation running costume, wearing the insignia of the Rose of New England on his shirt. Steve Corsey, who was referee for the Hazlehurst and Kasch runs, will officiate in the same capacity for this run. The pace making automobile will be driven by William R. Pringle, who will have with him, besides the referee, Mr. Maynard, Perry Corning and Sporting Editor Whitney of The Bulletin, as timers.

The machine will leave Norwich at 1 o'clock from the Wauregan house to take the party to New London, but Hilton will go down ahead by trolley.

Hilton's Record This Year.  
The following are the events in which Hilton has run this season, all registered A. U. events:  
First run—Five mile race, Fair weather, Decoration day; first place; time 30:48.  
Second run—Ten mile race, American league baseball grounds, Boston, June; run at a trot, lit by electric light; confusion among his scorers; placed eighth; 32 minutes, time, 58:30.  
Third run—Five mile race, Columbus club sports, Providence, R. I., July; fifth place; 19 entries; time, 29m.  
Fourth run—Three mile race, Rocky Point, N. I., Providence Athletic club sports, July 22; 22 starters; third place, with time 14:45.  
Fifth run—Three mile race, state championship, Lighthouse Point, New Haven; third place; 20 starters; time, 1 hour 24 seconds; August 21.  
Sixth run—Five mile race, Stamford to Roton Point via South Norwalk, Dec. 19.

Yale-Harvard Tie in Chess.  
New York, Dec. 24.—The intercollegiate chess tourney between four students each from Columbia, Harvard, Yale and Princeton begun here Wednesday was concluded today, when Harvard beat Yale 2 to 1 and Princeton beat Columbia 3 to 1.

Jewett City's Fast Goal Shooters.  
Jewett City's basketball team under Manager Lewis is showing the town some fast games this season. One of the best games was with Sterling this afternoon, when Sterling's worthy opponents in every way, and Jewett City only won in a desperate rally in the last few minutes by the score of 1-2 to 1-1. Manager Lewis has North

rather less favorable than was expected. The removal of players at irregular on account of this reaction. Total sales, par value, \$5,444,000. United States three have advanced 1-2 and the two 1-4 percent, in the bid price on call since last week.

Judge James P. Platt in the district court of the United States has made an order of condemnation and directed the sale of a brandy distilling plant in Stamford. The seizure of the plant by U. S. The object of keeping down the amount being to evade the payment of the federal tax. Solomon Eliaustein and others, the alleged proprietors, had until Thursday to appear and be heard, but as none had appeared the order of condemnation was made. The U.
